

HELP CLIENTS GET BETTER FASTER & IMPROVE YOUR BOTTOM LINE!

INSIGHT Addiction™, INSIGHT Behavioral™ and INSIGHT Detox™ screen and monitor your clients online for common disorders and instantly report the results to your clinicians. INSIGHT's online software, quarterly audits and comprehensive annual report help you:

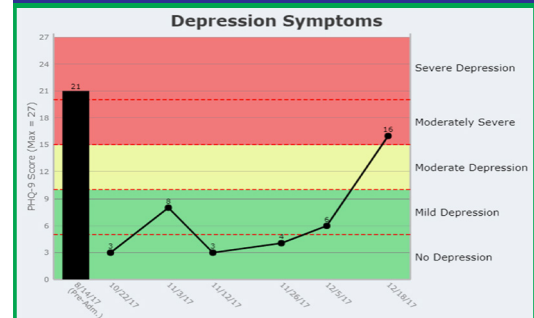

- ✓ Identify clients who aren't progressing well
- ✓ Easily comply with licensing & accreditation standards
- ✓ Show insurers and private-pay clients how effective your treatment is
- ✓ Identify areas for improvement by aggregating your results

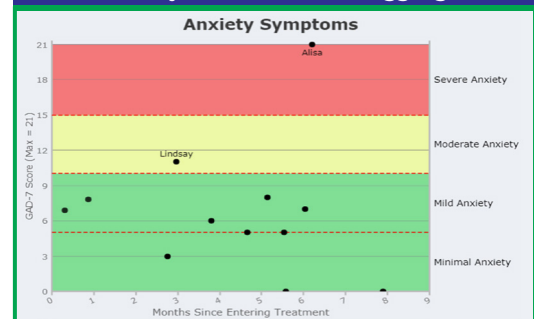

Become a leader in using outcomes-driven treatment to improve treatment results. Get started now by scheduling a demo at www.Vista-Demo.com.

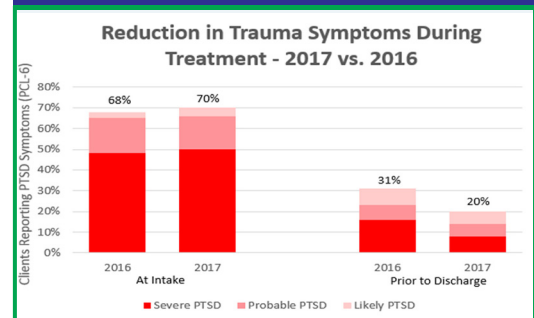

Track how individual patients are progressing

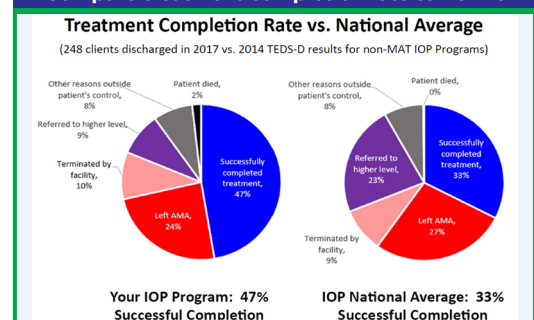

Identify clients who are struggling

Monitor treatment results over time

Compare treatment completion rate to norms

GET THE DATA YOU NEED TO INCREASE YOUR PROFITS!

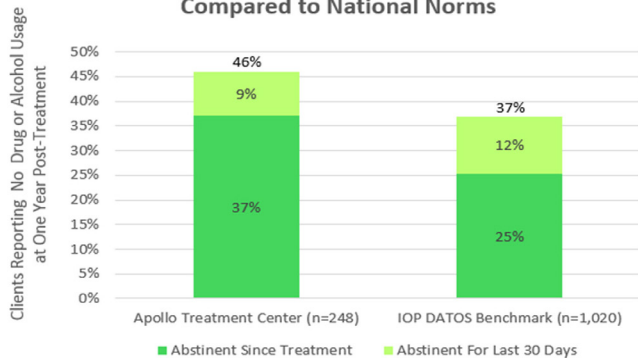

RECOVERY 20/20™

RECOVERY 20/20™ follows up with your clients during their first year after treatment to generate the success rate data your program needs to become more profitable. Use the priceless information in your annual Outcomes Report to:

- ✓ Negotiate higher reimbursement case rates
- ✓ Attract more private-pay clients
- ✓ Be approved as an in-network provider
- ✓ Convince clients to remain in treatment

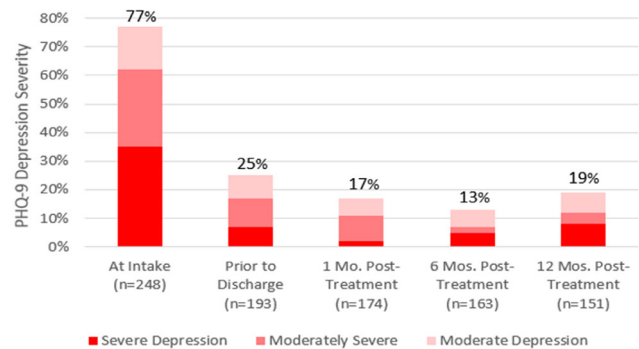

Verify your clients' success remaining abstinent

Abstinence at One Year Post-Treatment
Compared to National Norms

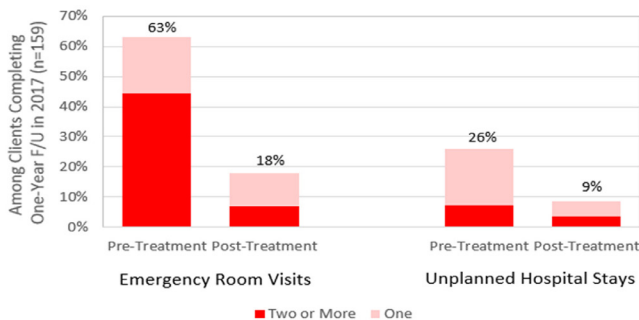

Prove you're effectively treating emotional issues

Clients with Moderate to Severe Depression
(among clients discharged in 2016)

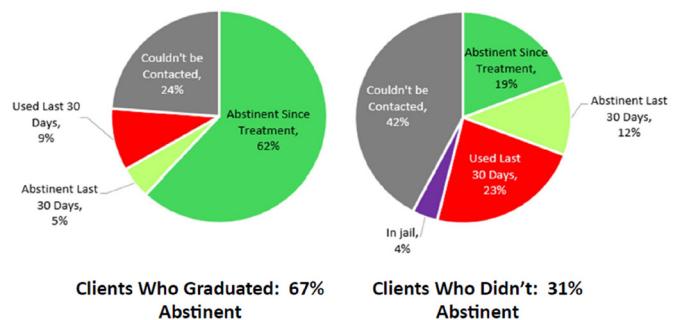

Show payers how treatment reduces future costs

Expensive Hospital Visits In The Pre- and
Post-Treatment Years

Convince clients to remain in treatment

Abstinence at One Year Post-Treatment
(among clients discharged in 2017)

Use RECOVERY 20/20™ to become more profitable, increase your census, and help more clients turn their lives around! Schedule a demo today at www.Vista-Demo.com.
